Name of Project:
Malahide Parish Centre

Name of Architect(s):
Sean Harrington Architects,
Dublin, Ireland.

Name of Client:
St Sylvester's Parish, Malahide.

Project Description:
New fully accessible parish centre, attached to an historic church, with cafe, large multipurpose rooms, offices, meditation chapel, sacristy, kitchens and a priest's apartment. Set in community gardens, with a new civic plaza and underground carpark.

Date Completed: 01 /08 /2014

Images:

Right in the heart of the village; inviting and easily accessible.

Coffee, cake and conversation, overlooking the cloistered courtyard. Great daylight, but no glare. Easy to find your way around.

A quiet place for reflection, for all religions, and none.

A place for prayer and community.

A place for everyone.

Sewing classes in the nursery - in the refurbished old school room.

Preparing food to be taken to house-bound people.

New and old, sitting comfortably together. Designed in consultation.

A place to meet your friends- here older persons playing cards.

Pre-school children's group.

Mothers and babies group.
